on a field trip to go fishing.
I liked how I got a fish
in 2 seconds. You guys are
so nice to us because you
helped us catch a fish. My
favorite part was when we got
to eat and drink. I think
it was funny when I got
a fish in 2 seconds. I hope
we meet again.

Sincerely,
Chris

Dear Rotary Commitee,

Thank you for paying the money for our field trip. Thank you, also for making our field trip such a happy field trip. What I liked about the field trip is that you can take your fish home. I also liked fishing because you have to be patient, and I like to be patient. My favorite part of the field trip was when I was looking out the window in the bus.

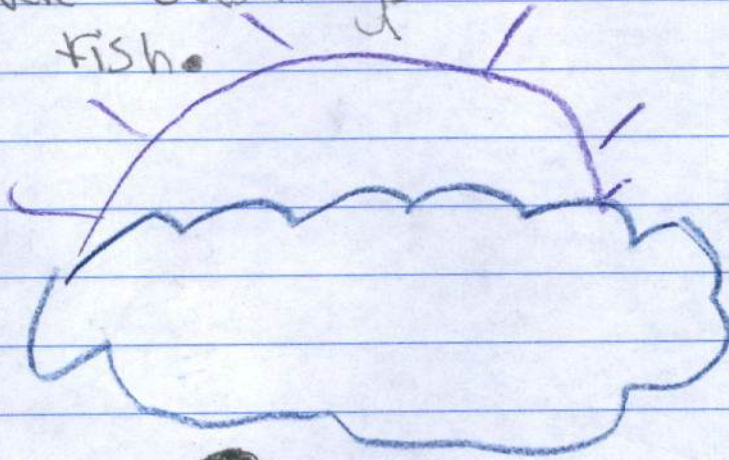

That's why I liked our field trip.

Sincerely,
Uriel

Dear Rotary Committee,
I am sorry I wasn't there
but thank you for teaching us how to tie
a knot. I liked to tie the knot
because you could do it with a
partner. My favorite part was when we
were casting. I wish I could get
a fish.

Sincerely,
Jose
